

## Haute Event: Courtney Mazza Celebrates Her Bachelorette Party at The Bank; Mario Lopez Shows Up

Mario Lopez's fiancée Courtney Mazza came to Vegas this weekend to celebrate her bachelorette party with her girlfriends, and Lopez even showed up to keep his girl company.

Mazza started off her weekend with dinner at [Fix](#), where she and her friends enjoyed the adult mac and cheese and other favorites, while snapping pics and laughing the whole time.

The next day, Mazza and her group relaxed and enjoyed spa treatments before hitting up The Bank for the big night out. Lopez came too and was spotted hugging and kissing Mazza the whole time while she danced and sipped Grey Goose cocktails with her friends. Lopez left the bash early, saying he wanted Mazza to enjoy a girls' night, and she partied all night!
