Meanwhile, **The Bachelor Sean Lowe** stopped by with a group of friends to check out the hottest party in town. In town for work, Sean and a group of friends headed to Haze around 11:45pm and were seated in a private balcony table. Sean and his group - including 3 guys and a girl - were served Grey Goose and Moet but Sean stuck with water and Red Bull throughout the evening. The group enjoyed themselves and were dancing and singing along T-Pain provided the soundtrack for the night. As soon as the girls in the club noticed that Sean was seated at the private VIP table, they started to try to get his attention. But Sean was just having fun with his group and didn't seem interested. A few girls managed to sneak into Sean's area and he happily took photos with them, but left shortly after around 115am.

Also at Haze for the HOUSE OF PAIN event: St Louis Rams **Matt Daniels**, **Matthew Conrath** and **Cortland Finnegan** who was celebrating his birthday at Haze.

Sean Lowe was out again on Sunday, January 27 – this time at **The Bank Nightclub** at Bellagio. Just one night after partying at Haze Nightclub, Sean showed up at The Bank where new resident **DJ Five** was spinning for the crowd. Sean was sipping Grey Goose cocktails and was having fun with his friends, but kept it pretty low key. Looks like this Bachelor may finally found love since he didn't acknowledge any of the female fans vying for his attention.

Brian Urlacher stopped by **FIX Restaurant** at Bellagio on Sunday, January 27 for a late night dinner. Arriving with two friends around midnight, the Chicago Bears star chowed down on a Pork Prime Rob with Cesear salad.
